This promotional non-contractual document contains information about CPR Invest - Global Disruptive Opportunities, sub-fund of Luxembourg SICAV CPR Invest. It is intended to be distributed to, or used by Professional Investors as defined in the European Markets in Financial Instruments Directive. It does not constitute investment advice, a recommendation, or a contractual offering. Prior to any investment, individuals interested in a given fund should ensure that the investment is compatible with their domestic laws, seek advice on any tax implications and carefully read the most recent copy of the Key Investor Information Document (KIID), in particular the sections referring to the risks and main characteristics of the fund. The fund offers no capital guarantee and carries a risk of capital loss, in particular due to market fluctuations. Past performances are not constant over time and are not therefore a reliable indicator of future performance. Any subscription is made on the basis of the most recent Key Investor Information Document (KIID) which contained essential information regarding the fund. The information provided is believed to be accurate as of 31.12.2017. This publication is not intended for use by residents or citizens of the United States or by "U.S. Persons" as defined by the Securities and Exchange Commission's Regulation S in accordance with the U.S. Securities Act of 1933 and detailed in the prospectus of the fund(s) mentioned in this document. All or part of this publication may not be copied or distributed to third parties without CPR AM's prior consent. All regulatory documents are available in French on the website www.cpr-am.com, or upon simple request from the company's headquarters.
